

L-AP Series

Acoustical Plaster Access Doors

Doors are designed to install flush with the plaster surface assuring an attractive finish. Doors are recessed 5/8" and lined with a metal lath to allow plaster of surrounding surfaces to fill in the face of the door.

Door and Frame are fabricated from 16 gauge, galvanized steel with a white prime coat finish.

Frame has a 3" wide metal lath on all four sides to key into the plaster.

Concealed Hinge is recessed and operates completely out of sight so that only the metal thickness of the door and frame is visible.

Latch is screwdriver operated.

Finish is a white prime coat suitable for painting.
